November 2023

Letter from the Chair of Governors

Hello again,
Here is your LGB update for this term. The Governor's would like to congratulate all the children for their excellent results at the end of last term. We appreciate that Year 6 went on to pastures new but their results showed what a good foundation in their learning they had received so that they would be well prepared for the next stage in their education.

It was agreed at our meeting that this year the Governors are going to be looking at the following areas in school:

- Promoting oracy and literacy throughout the school.
- Art
- Attendance.
- The continued development of assessment within the foundation subjects.
- Monitoring girls' attitudes towards mathematics.

Next term I will tell you more about our visits into school for these areas of development. On behalf of the LGB thank you to all parents and carers for your support for our school. Some of us might be at Christmas events ... do come and chat to us.

Jane Goose [Chair]

Copeman's Computing Clinic

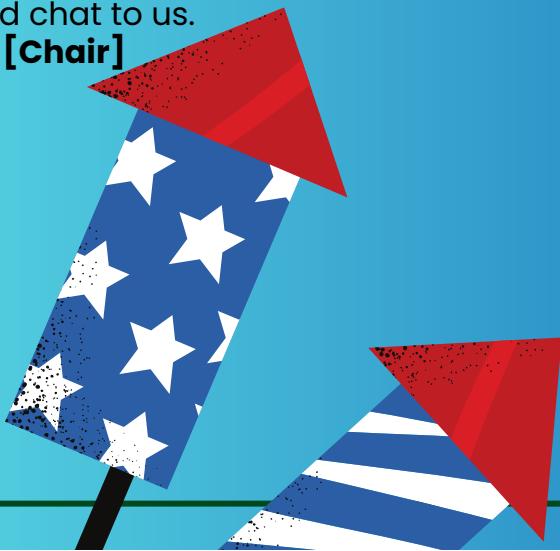

On November 14th (5:30 to 6:30pm) Mr Copeman will be hosting a computing clinic at school to explain the various apps and learning platforms that we use in school. From Showbie to Nearpod, TTRockstars to Rollama, this is your chance to come and find out how we use and embed technology within and across the curriculum.

Signup now for free on Arbor to reserve a place.

Bingo for Hunter

Tickets are now sold out for our Bingo on Friday 1st December. Bingo books can be purchased on the night.

We are still in desperate need of prizes of any size. These can be left with Mrs Hanlon in the office. We appreciate your support.

Mon 8th Jan 2024: Spring term starts.

Class Dojo

Thank you to everyone who has signed up for parental access to Class Dojo. This online portal is a great way of communicating your child's successes in school. If you haven't signed up already, please do so. Keep an eye out for your notifications as teachers will now also be sending personal success messages via the text application. You are welcome to respond however teachers will **not** be using this to communicate directly. All enquires and questions should continue to be communicated in the usual way via the school office.

Children in Need!

This year our School Council is asking all children to come to school on **Friday 17th November** in bright and spotty clothing for a donation of £1. They are also asking for small cakes and cookie donations to be sold during morning break for 50p. During the day each class will be taking part in the Joe Wicks 'Bearpee' Challenge.
