

Leverington Primary Academy PE and Sports Premium funding 2022-2023

The Department for Education believe that all young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation, and is central to meeting the government’s ambition for a world-class education system.

Background:

In April 2013, the Government announced new funding of £150 million for PE and Sport. This funding should be used to improve the quality and breadth of PE and Sport provision. The funding is for the period 1st September 2022 to 31st August 2023.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

The revised vision for the Primary PE and Sport Premium is:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 cohort left being able to swim competently, confidently and proficiently over a distance of at least 25 metres at <u>the end of last academic year 2021-22</u> ?	73%
What percentage of your Year 6 cohort could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] at <u>the end of last academic year 2021-22</u> ?	33%
What percentage of your Year 6 cohort could perform safe self-rescue in different water-based situations at <u>the end of last academic year 2021-2022</u> ?	33%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Not this year.
