

SUMMER

Coelho Class

LEARNING SUMMARY

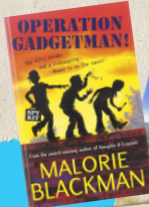

Spelling

Revisiting Year 3 / 4 spelling words as well as looking at the suffixes -ly and -ation.

Reading

We will be using the following texts in our English reading lessons, focusing on retrieval and inference skills

Writing

In our writing lessons this term, we will be using the text *The Iron Man* by Ted Hughes

Maths

Our focus this summer will be upon fractions, length and perimeter, mass and capacity, money, time and shape.

Science

This term we will be learning about forces and magnets, light, then building upon our existing knowledge of plants.

History

Following on from our Stone Age to Iron Age topic, we will be learning about the Roman invasion and its impact upon Britain.

Geography

In Geography this term our studies will be on countries and regions of the UK, before revisiting and building upon our map skills and fieldwork knowledge, focusing specifically on Ordnance Survey Maps.

Religion & World Views

This term in religion and world views our learning questions will be: What happens if we do wrong? and Why is water symbolic?

Art

Our Art studies will be based on abstract shape and space, in which we will be creating our own 3D sculptures as well as a textile unit taking inspiration from nature.

Design Technology

In DT this term we are looking forward to learning about and creating our own pneumatic toys, and programming our own micro:bits to create an electronic charm.

Music

In music we will be learning about pentatonic melodies, improvisation and jazz.

PSHE

In PSHE, the units we are covering are Healthy Lifestyles, Managing Safety and Risk Digital Lifestyles (E-safety) and Relationships and Sex Education.

Computing

This term children will use and explore Scratch, learning the difference between events and actions by creating a controllable sprite.

PE

In PE this term the children will be developing their body control, co-ordination and rhythm in dance as well as getting outside to do some athletics and preparation for Sports Day.

Our PE days this term are Thursday and Friday

French

In French this term we will be looking at French transport- learning to say and recall the French names for common forms of transport. We will also be looking at animal names and sounds and using our knowledge to create our own life cycles in French.

HOMework

HINTS

Weekly expectations

- Read Accelerated Reader book for 15-30 minutes, four times a week. Record pages read and any notes on Showbie.
- Numbots/ Time Tables Rock Stars for 5 minutes, four times a week.
