FEBRUARY 2026

"Let February be a reminder that even the smallest amounts of light can brighten the longest winter."

### Year 6 English Challenge

Our Year 6 team shone brightly at the local heat of the English Challenge, taking first place in a competition that tested their knowledge of books, words and much more. They impressed throughout each round with their teamwork, quick thinking and love of reading!

We're incredibly proud of their hard work and can't wait to see how they get on in the next stage.

A huge well done to Sophia, Felicity, Ewan and William!

### Trust TTRS Challenge

We took part in a Trust-wide Times Tables Rock Stars battle last week, and the enthusiasm was incredible! After seven days of determination, quick recall and plenty of competitive spirit, we secured an impressive third place overall. A huge well done to everyone who took part - and a special shout-out to our Year 6 Attenborough Class, who finished as the highest-scoring class across the entire Trust!

What a fantastic effort from all involved!

# Jobs in the community - calling all parents!

We are looking for Parents and Carers who would be happy to come into school to talk to the children about their jobs and roles within our community. This is a wonderful opportunity to help pupils learn about different careers, develop aspirations, and understand how people contribute to the world around them.

Talks can be short and informal and we welcome a wide range of jobs and experiences. If you would be willing to share what you do, please contact the school office for more information. Thank you for helping us bring learning to life and strengthen links between school and community.

## Appointments

We would like to politely remind all parents and carers that medical appointments should be made out of school hours. Where this is not possible, please provide the office with evidence of your child's appointment date, time and address to log with our attendance records.

We have noticed an increasing number of children being picked up from school early. We kindly remind families to avoid collecting children early on a regular basis. Frequent, early pick-ups can disrupt learning and cause children to miss important teaching time. We understand that occasional early pick-ups may not be avoidable, but keeping these to a minimum helps us to maintain a calm, consistent routine for the children. Any children leaving early for sporting activities must have a letter from the provider.

**Being picked up from school ten minutes early, once a week, equates to losing an entire day of school.**

**Leaving school at 3 o'clock once a week equates to three days of missed learning.**

# Diary dates...

Monday 17 <sup>th</sup> - Friday 21 <sup>st</sup> February	Half term Year 6 start swimming every Monday from 23.2.26
Monday 24 <sup>th</sup> February	Back to school
Wednesday 25 <sup>th</sup> February	Mastering Number for Y2 parent workshop 3:00 - 3:25pm
